

ARTISANS

YOU CAN BE PART OF THE SHOW!

By joining our Artisans Program, you can put yourself right on the stage and still watch from the audience.

As a non-profit organization, St. Dunstan's Theatre Guild of Cranbrook welcomes financial support from corporations, foundations and our patrons to supplement revenue generated through ticket sales. The donations received will help expand all of our artistic capabilities and benefit our ongoing outreach programs including Cranbrook scholarships and our Theatre for Children program.

Consider joining our Artisans Program through one of the following donation categories:

Patron of the Arts

For a donation of \$500 or more, you will receive four St. Dunstan's season tickets and a listing in our 2008-2009 season program
